3. The tenderer must specify the rates per ton of wood ; and the tender must be accompanied by a deposit of Rs. 25 (rupees twenty-five only) in Currency Notes as earnest money, without which the tender will be rejected. Covers containing the tender should be addressed to the District Forest Officer, Kadur Division, Chikmagalur, duly registered, insured and superscribed "Tender for the weighment of rough and prepared sandalwood in Chikmagalur Koti in connection with the annual stock taking." The tender will be opened by the District Forest Officer at 4 P.M. on 8th May 1937 in the presence of such of the tenderers as may be present.

4. The final acceptance of any tender will rest with the Conservator of Forests who does not bind himself to accept the lowest or any tender, and to assign any reason whatsoever for rejecting the same.

5. The acceptance of any tender will be duly communicated to the successful tenderer ; and the earnest money of other tenderers will be returned to them.

6. The successful tenderer shall within a week of the receipt of orders, deposit in the Government Savings Bank a sum of Rs. 50 including the initial deposit of Rs. 25 referred to above as security for the due fulfilment of the terms of the contract and execute a bond on a duly stamped paper embodying the terms enumerated hereunder failing which, the initial deposit will be forfeited to Government and other arrangements made for the work.

Conditions.

(*a*) Wood for weighment should be taken lot by lot in the order shown by the Koti Officer. Until each is fully weighed out and restacked, the next lot should not be meddled with or disturbed.

(*b*) Within two days of intimation to be given to him by the Officer in charge of the Koti, the contractor will arrange for sufficient labour to weigh out wood in two scales at the rate of at least 30 tons per day. The wood weighed out on each day should be simultaneously restacked at the place to be shown by the officer in charge of the Koti, the dimensions of each stack being regulated by the insrtuctions of the above Officer. The wieghment will be continued from day-to-day until it is put off by the officer in charge of the Koti. The contractor will be bound to resume the work again within two days of intimation to be given to him to do so.

(*c*) The place at which weighment is made must be kept clean by the coolies of the contractor. The coolies will submit to the disciplinary measures that may have to be adopted for the peaceful conduct of weighment and stacking. Any cooly found disobeying the instructions of the Officer in charge of the Koti may be turned out of the Koti by the Koti Forester.

(*d*) For the violation of any of the aforesaid conditions, the whole or any portion of the security deposit will be liable to forfeiture to Government at the discretion of the District Forest Officer. If the contractor fails to start or resume work, as indicated above, and to show satisfactory progress on each day, the District Forest Officer will be at liberty to cancel the contract, forfeit the security and make other arrangements for the work the contractor being liable to pay to Government any expenditure that may have to be incurred for the work in excess of the rate accepted by him under the contract.

N. SUBBA RAO,
Executive Engineer.

CHITALDRUG DIVISION.

Notification dated 17th April 1937.

1. Sealed tenders will be received at the office of the Executive Engineer, Chitaldrug Division, Chitaldrug, up to 2 P.M., on 30th April 1937, for improving the existing bridge at 5–19 of Chitaldrug-Bhadravati Road.

2. Tenders in the prescribed form obtainable from the Office of the Executive Engineer, Chitaldrug Division, Chitaldrug, on payment of Rupee one for each form, should be addressed to the Executive Engineer, Chitaldrug Division, Chitaldrug, and should be superscribed as "Improving the existing bridge at 5–19 of Chitaldrug-Bhadravati Road." The name of the tenderer should also be superscribed on the seald cover.

3. Each tender must be accompanied by a deposit of Rs. 675 (six hundred and seventy-five) in cash or Government Promissory Notes or Mysore Government Bonds at face value or market value, whichever is less, as earnest money. The earnest money of the successful tenderer will be retained as security deposit for due fulfilment of the contract. (Cash amount will not carry any interest).

4. The tenders will be opened in the presence of such tenderers who wish to be present on 30th April 1937 at 3 P.M. The final acceptance of the tender will rest with Executive Engineer, who does not bind himself to accept the lowest or any tender, or to assign any reasons whatever, for the rejection of any tender.

5. The name of the successful tenderer will be posted on the Notice Board in the Executive Engineer's Office, in due course. Within eight days of the acceptance of the tender, the successful tenderer will be required to execute the Agreement in the departmental schedule contract form for the due fulfilment of the contract.

6. Failure to comply with condition 5 above or to agree to carry out the work in accordance with the specifications and agreements in force will entail forfeiture of the earnest money.

7. Copies of contract documents, estimates and drawings, may be seen at any time at the office of the Executive Engineer, Chitaldrug Division, Chitaldrug, on all working days between 11 A.M. and 5 P.M.

8. Specific rate should be given for each item in the schedule and the rates should be in rupees, annas and in multiples of three pies and expressed in words and figures. Tenders offering a percentage reduction on the estimate amount will be rejected.

9. Any rates or lumpsum amounts for the items not called for, if tendered by the tenderer, will not be taken notice of. The rates tendered should include all such lumpsum items.

10. No alterations which are made by the tenderers in the contract documents in the nomenclature of the sanctioned sub-heads will be recognised and if corrections are made, the tenders will be liable to rejection.

11. There should be no corrections or erasures in the tenders in the rates of items and any corrections made in the rates should be attested to and the number of corrections, if any, in each page noted at the foot of the same by the tenderer.

12. No reference should be made to the Public Works Department current schedule of rates.

13. In the event of the tender being submitted by a Firm, it must be signed separately and severally by each member thereof, or in the event of absence of any partner, it must be signed on his behalf by a person holding power-of-attorney, authorising him to do so.

14. When once the rates tendered have been accepted they will not be revised under any circumstances. In regard to items of work not tendered, the rates to be proposed by the Executive Engineer, Chitaldrug Division, Chitaldrug, and approved by the Superintending Engineer, Shimoga Circle, shall be final and legally binding on the tenderer.

15. The quantities given in the schedule are only approximate and are liable to alterations, omissions, deductions, or additions, at the discretion of the Executive Engineer or his representative. The tendered rates will hold good for any quantity, whether higher or lower than those given in the enclosed schedule.

16. The work should be completed and handed over to the Public Works Department before June 1938, from the date from which the work is ordered to be commenced, failing which the Executive Engineer may, at his discretion, levy a penalty of Rs. 5 per day, which will be recovered from the contractor's outstandings for the period by him till the work is completed and handed over.

17. In all matters of dispute of any kind, not specially provided for in the agreement or of rates, penalties, measurements, quality of work, etc., the decision of the Superintending Engineer, Shimoga Circle, shall be final and legally binding.

18. The earnest money of rejected tenders will be returned on submission of the receipts originally granted, along with an application, to the Executive Engineer, Chitaldrug Division, Chitaldrug.

19. No claims for damages, for delays caused by officers of the department in the execution of the work will be considered, whatever may be the reason for such delays. Contractors should bear this in mind when tendering for work. Extension of time due to delays caused by the departmental officers will however be considered on the merits of each case.

20. The contract should not be sub-let.

21. The contractors should arrange for the payment of Royalty and tools.

Note.—(A) The contractor should at his own cost :—

(1) Provide rods, stakes, ropes and labours required in setting out the works.

(2) Provide all necessary scaffolding, entring labour and appliance for hoisting.

(3) Provide mortar mill and shed to keep materials under cover and also for workmen.

(4) Arrange for protecting work during inclement weather.

(5) Supply requisite temporary lights, water cisterns, water-shoots, covering to masonry, tile pieces to steps, sieves, parahs, or measures, shoring and other requisite protection during the progress of the work.

(6) Supply all water required for work and workmen and provide latrines; drainages, etc.

(7) Clean away all dirt, rubbish, superfluous materials and debris as they accumulate.

(8) Provide arrangements for pumping and bailing from excavations and foundations, wherever and whenever necessary with his own pumping apparatus, including necessary leading drains, slump pits, pits, etc.

(9) Wash floors at completion and leave the whole of the work and premises in a clean and orderly condition, etc.

(10) Afford facilities to any other parties employed upon the work, so that their work may proceed during the progress of the contract and give such persons the use of ordinary scaffolding and ladders.

Note.—(B) It is the business of the contractor to make his own arrangements for the quarries and supplies of materials.

22. If it is considered desirable, the work will be distributed to more than one contractor for the speedy completion of the work.
